### Installing / Adjusting Your Under Seat Organizer

1. Position the Under Seat Organizer beneath the chair. The Under Seat Organizer should be placed with the opening facing up and the logo facing the front side of the chair.
2. Locate the strap in the back left corner of the case. Wrap the strap around the tube under the left side of the chair. Thread the strap through the plastic O-Ring and pull the strap back toward the inside of the case. Attach the hook and loop material on the end of the strap to the hook and loop material on the inside of the case.
3. Repeat the same process with the straps in the Back Right, Front Left, Front Right and Center Back to ensure four total attachment points.
4. Insert the removable accessory pouch into the case.

**Caution:** Mount accessory securely so that it does not interfere with the functionality of the vehicle.  
**Do not allow the Under Seat Organizer to interfere with getting in or out of the vehicle.**  
**Do not use with items that do not properly and securely fit inside the case.**  
**Place accessory pouch and tether securely in the Under Seat Organizer when the vehicle is in motion.**
